2 Correction

Corrigendum: The affiliations of the authors were missing from the landing page. The logo of TU Delft Open Publishing was outdated. Page numbering was not necessary.

Explanation: The affiliations and the logo were not correctly updated when publishing the paper, and the page numbers were not removed.

Actions Taken: The affiliations were completed to match the ones in the paper, the logo was replaced with the updated version, and the page numbers were removed.

Note to Readers: We apologise for any confusion caused by this discrepancy.

Corrections have been made to the landing page title and PDF to ensure accuracy.
