## 1 Publication notice

**Title:** The Associations of Street Network and Urban Form with Walking Frequencies

**Journal:** European Journal of Transport and Infrastructure Research

**Publication Date:** 31 January 2025

**DOI:** <https://doi.org/10.59490/ejtir.2025.25.1.7234>

## 2 Correction

**Corrigendum:** The affiliations of the authors were not complete on the landing page. The logo of TU Delft Open Publishing was outdated. The title of the references was not correctly formatted. The references were not written in correct APA style. The citation on the about page of the paper was not correct.

**Explanation:** The affiliations, the logo, and the citation were not correctly updated when publishing the paper. The references title on the last page was not correctly formatted. The references were not written in correct APA style.

**Actions Taken:** The affiliations were completed to match the ones in the paper, the logo was replaced with the updated version, the citation was corrected, the references title on the last page was correctly formatted and the references were written in correct APA style.

**Note to Readers:** We apologise for any confusion caused by this discrepancy.

Corrections have been made to the landing page title and PDF to ensure accuracy.
